

SERVICE CREW INSTRUCTIONS

DAY 1,2 and 3 – service crews will need to man **ONE** service control per day.

FUEL CONTROLS

DAY 1 & 3 – Millfield school – see attached map.

DAY 2 – Clay target club – see attached map.

Service crews to attend and service riders at these controls.

Each of the first 3 days:

Remote fuel dump – on time schedule as Deep Creek (day 1 and 3) and Archery (day2).

NO SERVICE CREWS to attend these fuel controls.

Fuel will be transported to these controls by event personnel.

These fuel controls are 50km from the previous control and 50km to the next refuelling control.

Drums **MUST** be dropped at the drop off area (at the brown brick shed) in service crew car park **NO LATER THAN 6.30am** each day, the trailer will be available from the previous evening . A small bag tied securely to your fuel drum containing necessary items may also be sent.

THERE WILL BE NO LATE FUEL DELIVERIES.

MARK YOUR DRUM WELL WITH A4DE RIDER NUMBER

There will be water available to riders at this control.
