1. **Announcement**

Dandenong Motorcycle Club Inc hereafter called the Promoter will conduct the 2022 Australian 4 Day Enduro (A4DE) incorporating the Australian Enduro Individual and Teams Championships and 2022 Intercontinental Enduro Challenge for Senior Solo Motorcycles at Erica, Victoria from Tuesday 3rd May to Saturday 7th May 2022.

One event licences are available only for Vets, Masters Championship classes and all support classes for riders that do not hold a MA Senior National Licence.

2. **Jurisdiction**

2.1 The abovementioned meeting has been authorized by Motorcycling Australia which has issued the Motorcycling Australia Permit Number MA 2680 and is open to holders of current Motorcycling Australia Senior National Competition Licence, One Event Licence issued by Motorcycling Australia.

An International Meeting Number (IMN) will be issued if a rider from a Federation other than MNZ wants to enter. Once an IMN is issued, all riders that do not hold a Motorcycling Australia licence will require a current FIM licence and a valid Start Permission from their Federation. The FIM licences that will be accepted for the Event are Annual International Enduro Meetings Licence and One Meeting International Enduro Meetings directly linked to IMN.

2.2 The meeting will be held in accordance with the current General Competition Rules (GCR's) contained in the 2022 MA Manual of Motorcycle of Sport (MoMs), these Supplementary Regulations and Final Instructions approved by Motorcycling Australia, and any notices issued on the official notice board at the event. By entering this meeting all parties agree to comply with these rules, regulations, by-laws and instructions.

Trophy and Junior Trophy Teams

Each Australian State, the ACT, the Northern Territory and New Zealand may nominate, through its RCB, one Trophy Team and one Junior Trophy Team, entries must be consistent with **2022 MA MoMs**.

All Team entries are to be submitted separately by the RCB by the 18th April 2022 and must be endorsed by the Enduro Committee of the RCB.

Women's Trophy Teams

Each Australian State, the ACT, the Northern Territory and New Zealand may nominate, through its RCB, one Women's Trophy Team. Women's Team entries must consist of three riders who have their MA Competition Licence issued by the state they are representing. A competitor in a Club Team is ineligible for this competition.

All Team entries are to be submitted separately by the RCB by the 18th April 2022 and must be endorsed by the Enduro Committee of the RCB.

Trade Teams

Trade Team is a competition in which any Trader within the motorcycle trade may enter a team consisting of 3 riders. A competitor may not be a member of more than one Trade team. A competitor in a Club Team is ineligible for this competition.

The three (3) best teams will receive special awards, the scoring of Trade and Club Teams will be based on classification points. Classification points are based on the daily difference in time between the class leader and the rider which are added daily to give the team score.

Club Teams

A club may enter teams of 3 riders who are current members of that club. Proof of club membership will be required. Clubs must be affiliated with the SCB. No competitor may be a member of more than one Club team. **PLEASE NOTE:** Competitors in the Trophy, Junior Trophy, Women's Trophy and Trade team are ineligible for this competition. The three (3) best teams will receive special awards, the scoring of Trade and Club Teams will be based on classification points. Classification points are based on the daily difference in time between the class leader and the rider which are added daily to give the team score.

Seniors O60 Class

Seniors O60 riders may do shorter days but compete for all 4 days. (It is expected riders will ride about 60% to 70% of the course and ride the same special tests but do fewer special tests.)

Team Managers

Each team may have a Team Manager whose name and contact details must be nominated by the close of team entries. (The Race Secretary will accept any changes to Team Managers up to close of rider Sign-on) No Team Manager can be a Jury member. It is the Team Managers responsibility to download any information they require. Please direct any questions on information required to the Administration Office.

9. Awards

9.1 The outright individual winner of the A4DE will be awarded the **John Hall Perpetual Trophy** named in honour of the mastermind and original organiser of the first A4DE in 1978.

9.2 MA Australian Championship Medallions and Trophies will be awarded to first, second and third in each Individual Australian Championship Class. **ALL** competitors in Championship classes will be eligible for the Australian Championship Awards.

9.9 Further awards may be presented as per 2022 MA MOMs.

10. Entries to constitute a class

10.1 To constitute a class for the purpose of gaining Championship status, the number of contestants entered and competing in each class, except Women's, must be at least ten (10). The number of entries to constitute a Championship Class for the Women must be at least six (6).

10.2 Should there be insufficient entries in any class of competition, the class will be cancelled, and competitors will compete for trophies only (i.e. no Australian Championship will be awarded). Except for Women's Class, Veterans Class and Masters Class, refer to 2022 MA MOMs.

11. Pre Event

11.1 PROLOGUE:

There will be no prologue.

A test track will be available for riders to test and tune bikes prior scrutineering.

The Clerk of Course reserves the right to seed any rider before and during the event.

11.2 WALKING OF TESTS:

Tests will be available to walk at various times from Friday 29th April. The Final Moto will be available to walk 24 hours prior to Day 4, unless completed earlier, riders will be notified. As tests become available to walk - notices will be put up on A4DE Facebook page, and the A4DE website www.a4de.com.au will contain maps, directions and information such as time limitations on when tests can be walked.

NO BOTTLED WATER can be taken onto the test – please use camel back for hydration. There is to be NO littering in the test areas, please ensure that whatever you take into the test areas, comes back out and is disposed of in a proper manner.

NO PUSHBIKES are permitted at any test areas or Parc Fermé and respective pit and parking areas.

GPS devices of any kind are not permitted at special tests. If any rider has a smart watch or phone with GPS apps they shall leave them in the car or switched off. GPS location of each special test will be available at the admin centre for all riders.

Any rider determined to have trespassed onto a private property used for a special test prior being permitted to walk the test will be penalised with exclusion. This also includes riders unauthorised access to the property in the months leading up to the event, game cameras will be set up to video unauthorised entry/trespass.

11.3 SERVICE CREW INFORMATION

Information and directions to controls will be available on the website from midday 1st May. At control sites, pre event look for star pickets or timber pegs in the ground painted yellow, white and green – white will indicate the direction the riders will enter the control from, yellow will indicate the entry into the control and green will indicate where the riders will exit the control back onto trail. When setting up, please leave at least 5m at the yellow flags for bikes to marshal at.

Each rider will be issued 1 service crew wrist band at sign on (in their rider pack) – it is important you retrieve the wrist band and service crew wear it at all times during the event – service crew will not be allowed into any service area without a wrist band, including morning work area and paddock service area, also you may be charged entry into the Final Moto and some tests without it. Children U16yo do not need to have a wrist band provided they are accompanied by a service crew person with wrist band.

11.4 PADDOCK PARC FERME SET UP

The paddock/pit area will be available from **12:00 midday to 4pm Saturday 30th April 2022 . After Saturday paddock space allocation and set up will be from 9:00am to 4:00pm each day. (i.e. no vehicles will be permitted into this area after 4pm)**. All teams will be required to pit in the position allocated to them by Parc Fermé officials. Due to limited space, riders are encouraged to group together and share work areas. When setting up your paddock/pit area please consider others, and do not block road or other crew's areas. As soon as you have unloaded your vehicle at your allocated work area – please remove it to the service vehicle car park area. Riders ARE NOT ALLOWED to bring their car into the Paddock during setup if they are not unloading.

If you have a team or a few riders and would like to reserve position in the Pit/Paddock area please complete form available on web site www.a4de.com.au

A limited number of containers are available for hire – Order forms on website www.a4de.com.au

This is the ONLY Rider's Briefing and riders must sign the Registration Sheet (to confirm attendance). Riders who do not attend and/or do not sign the Registration Form may not be permitted to start.

14.2 A Riders Instruction sheet will be issued to all riders. It is conditional upon acceptance of entry signed by the rider that he/she fully understands that it is the sole responsibility of the rider who signed the entry to read the riders instruction sheet and to bring to the attention of the Clerk of Course, anything contained in the instruction sheet that they do not understand or are concerned with for clarification.

15. Anti – Doping Policy

15.1 All competitors and officials are advised that drug testing may take place in accordance with MA's Anti-Doping Policy, as carried out by the Australian Sports Anti-Doping Authority. MA's Anti-doping policy is contained within MA's web site, found at www.ma.org.au or the 2022 MA MoMs for details.

15.2 If any doubts exist over banned substances it is recommended competitors contact the Drugs in Sport Hotline on 1800 020 506. When drug testing takes place, the awarding of prizes may be delayed at Motorcycling Australia's discretion until the results of the tests are known.

16. Drug and Alcohol Testing Procedure

All competitors and officials are advised that random breath and/or drug testing may take place during the competition.

For the purposes of drug and alcohol testing, the commencement of the meeting will be deemed to be 7.00am

Tuesday 3rd May to Saturday 7th May with the completion of the meeting for the participant being when the participant has vacated the venue at the end of each day.

Riders may also be random drug or alcohol tested by Victoria Police during competition.

Note: The allowable alcohol content is 0.00 and nil for drugs.

17. Smoking

Smoking is strictly prohibited in any Control areas, Paddock/Pit area, Start Area, Work Area, Parc Fermé and Riders Briefing. Riders are liable for exclusion from an event for failing to adhere to this regulation and are responsible for the actions of their mechanics and support persons – as described 2022 MA MoMs.

18. Code of Behaviour

All Competitors, officials, parents and support persons are reminded of MA's Code of behaviour contained within MA's Member Protection Policy, found at www.ma.org.au or the 2022 MA MoMs, which is a guide to appropriate behaviour at all Motorcycle race meetings. This Code of behaviour applies to this meeting and will be enforced.

Saturday 7th May 2022

1 st Riders Enter Parc Fermé	7:45am	
1 st Riders Start Morning Work Period	7:50am	
1 st Riders Start	8:00am	

There will be a trail loop which will bring the riders to their final work area at Final Moto Parc Ferme. They will then enter a 15 minute work period prior to impounding their bike ready for the Final Moto. The Final Moto will be available to walk at least 24 hours prior to the test.

20. Course Description

The course will consist of trails and tracks suitable for all levels of riders, with a total of approximately 7 hours riding time each of the first three days. The course will be marked with numbered arrows signifying each day. The maximum number of Remote Time Checks with service each day will be notified in the Final Instructions.

The total distance covered for each day will be 150 to 240kms depending on the trails.

As Erica has predominately tighter trails the distance covered each day can be less than forest trails in other parts of the country. As a result, the total distance covered may be less than 600km, ref 2022 MA MOM 11.24.1.2.

Refueling depots (distance between service controls) on some sections will be a maximum of 75km, contrary to 2022 MA MOM 11.14.11.1(m) Thus, motorcycles must carry sufficient fuel for 75km. (This is due to refuelling not being permitted on public land.)

The number of Special Test Locations will be notified in the Final Instructions.

Final moto will be a constructed "natural terrain" track.

21. Start Order

NOTE: Day 1 Start Times and Schedule will be posted on the Information board and on the Website no later than 5:00pm on Tuesday 5th May - printed copies will be available at Parc Ferme

21.1 On Day 1 the start order will be set such that the top 20 (outright) riders from 2019/20/21 AORC will start first (unless the rider has entered an aged, based class, in this instance the rider shall start immediately behind all Trophy riders); followed by Trophy and Junior Trophy and specially seeded riders; followed by Trophy and Junior Trophy and specially seeded riders; followed by all other riders. Factory sponsored international riders may be seeded by the Clerk of Course with Trophy riders.

21.2 Days 2 and 3 start order will be established with Trophy and Junior Trophy and specially seeded riders starting first, seeded using the previous days' Special Test results, followed by all other riders, seeded as per the previous days' Special Test results.

**The Clerk of Course reserves the right to seed riders at any time before or during the event.

21.3 Day 4 Start Order will be by Class. Class order will be: - Seniors O60; Masters; Veterans; Women; C150, E1; E3; E2.

21.4 Re-starters: A competitor who retires from the event on the first two days of competition may, once only, restart on the following day at the end of their respective field. To restart the competitor must apply to the Race Secretary

before the end of the day for a re-start and then comply with 2022 MA MOMS. Re-start riders will not be eligible for awards or finishers medals. Re-starters will not be permitted on the trail section on Day 4. Re-starters will be given further information at the event. (Excludes Trophy and Junior Trophy Riders)

- **NOTE:** Start List and schedule will be available from the secretary's office and on-line by 7:00pm the evening before each day's leg. In the event of unforeseen problems with meeting this deadline the Clerk of Course reserves the right to use the previous day's start order and seed any riders before or during the event for safety reasons.

22. CODE FOR OPERATION ON PRIVATE AND PUBLIC ROADS

All participants in the contest must respect the traffic code for operation on all public and private roads and road crossings. They must conform to all instructions that are given by the marshals and management. **STOP** signs are at all road crossings - riders **MUST STOP** at all STOP signs and give way to traffic.

When riders are on sealed roads they shall ride on the bitumen and not the gravel verge.

When riders are on sealed and gravel roads they shall keep left of the centre of the road at all times.

Riders failing to observe these requirements will be disqualified where a breach of road traffic regulation or face other penalties.

23. Events Rules

The event will be run in accordance with 2022 MA MoMs - in particular but not limited to: Enduro and Reliability Trails and Australian 4 Day Enduro, these Supplementary Regulations, Final Instructions, Rider Instruction Sheet and Bulletins issued. These documents give details about general organisation; starting procedures, re-start rule, assistance allowable, operation of time checks, penalties and other useful information. It is the rider's responsibility to, not only be familiar with these rules and all information that is provided, but also check the bulletin board (on the website and at the event) daily before starting.

24. Penalties

24.1 A **YELLOW** card system for minor infringements will be used during the event – A YELLOW card may, at the discretion of the Clerk of Course, be issued to a rider as a warning of rule infringement. The issue of a yellow card does not replace any other penalties (such as fines or time penalties) that may be issued for the same offence by the Clerk of Course.

24.2 Other penalties as per 2022 MA MoMs.

24.3 OUTSIDE ASSISTANCE: Rules regarding outside assistance will be strictly enforced.

NOTE 1: Riders being accompanied on the course by "Ghost Rider" (rider not entered in the event) risk exclusion from the event.

NOTE 2: Mechanics, service crew and support persons are **NOT PERMITTED at any No Service Control**.

*The rider is allowed to change any unmarked parts anywhere on the course **but** may receive spare parts and tools only in the servicing areas. Tyres may only be changed in the morning and afternoon work periods.*

25. Environment

25.1 Environmental Guidelines will be listed on the website and Bulletin Board. It is the responsibility of each rider to ensure both they and their service crews, mechanics and support persons are familiar with and adhere to the guidelines.

25.2 Each competitor must supply one (1) environment mat that is approved to use for hydrocarbon spills. All service crews, mechanics and riders will be required to use an environment mat when replenishing all fuels, oils and chemicals (including the oiling of chains) in order to stop ground contamination. (Plastic, cloth and non-rubber backed carpet etc is not sufficient to stop ground contamination should spillage occur.) An event approved enviromat is available online per the following link.
